

## ANTI-BULLYING CONTRACT – STUDENTS

We, the students of Colorado Lithuanian School, agree join together to condemn and stop bullying at our school. We believe that every student has the right to feel safe, secure, and accepted regardless of color, race, gender, popularity, athletic ability, intelligence, religion, or nationality.

Bullying means any intentional written, electronic, verbal, or physical act against another student. Examples of bullying are:

- Placing a student in fear of substantial harm to his/her emotional or physical well-being.
- Creating a hostile, threatening, humiliating, or abusive environment due to persistent actions.
- Perpetuating bullying by soliciting or coercing an individual or group to demean, dehumanize, embarrass, or cause emotional or physical harm to another student.

Bullying causes pain and stress to victims and is never justified or excusable as “just teasing.” The victim is never responsible for being a target of bullying.

**By signing this contract, we, the students, agree to:**

1. Value student differences and treat others with respect.
2. Not become involved in bullying incidents or be a bully, but rather support students who have been, or are subjected to bullying.
3. Be aware of the school’s policies with regard to bullying and immediately report all incidents.
4. Talk to teachers and parents about concerns regarding bullying and work with other students and faculty to help the school stop bullying.
5. Be a good role model for younger students.

**Any severe situation will result in a student being sent immediately to the office. Severe behaviors may lead to more serious consequences.**

**If the student has broken the law, the administration will inform the police.**

**I acknowledge that whether I am being a bully or see someone being bullied, if I don’t stop or report bullying, I am just as guilty.**
